

To foreign patients without Japanese public medical insurance from our hospital

As a general rule, when foreign patients without Japanese public medical insurance wish to receive medical services from our hospital, we ask that they contact us through the organizations listed below, in order to proceed with diagnostic and treatment processes in a safe manner, and to facilitate the smooth completion of various administrative processes such as immigration procedures.

- 1) Emergency Assistance Japan (Co) (EAJ)
- 2) Wellinks co.ltd

Our hospital has business partnerships with EAJ and Wellinks co.ltd, and their acceptance of patients is coordinated by our Center for Community Liaison and Patient Consultations.

Please choose one and consult with them.

Please note that patients are responsible for any brokerage fees incurred.
