

Preparation in advance

※This list is not required to be submitted to the Student Affairs Office. It is only for your double check.

1. Only for those who are graduating with a PhD degree

※For those who graduate with ABD (All But Dissertation), follow No.2

What PhD applicants need to be sure about

You need to be sure of your current status with the Graduation Requirements Checklist.

Finish defense meeting *Same theme as the dissertation
Submit the original copy of the "RISHUHYOU" (履修票) *Got seals from both your supervisor and sub supervisor
Submit TOKURON card (complete more than 15 lectures)
Submit TOKUPURO card (complete more than 20 lectures)
Complete Basic Training (complete more than 4 courses)
Finish the e-learning course "How to Avoid Plagiarism" by EPIGEUM.
Finish the two e-learning courses on research ethics "eAPRIN"

※It's necessary to make sure how to complete each one with the syllabus on your own if you have something undone yet.

★The following lists are in Japanese only. For those who don't understand Japanese need to ask their professor or someone who will help you with the application process to check each item with them. Applicants must be sure about each condition.

2. For both PhD and ABD applicants

What applicants for PhD degree must be sure of, and what they should ask their supervisor or supporter who understands Japanese to check each item
