How to complete your “career report registration”

At Nagoya University, everyone in the graduation/ final year is expected to report on their career plan after graduation. This is for the “Situation Survey for Post Graduates” of the “School Basic Survey” (a Fundamental Statistical Survey based on Statistics Act) conducted by the Ministry of Education, Culture, Sports, Science and Technology. Your information will be also used for some other survey statistics related to career and employment. Your name will be kept confidential and not be leaked to anyone outside the university. We would like to ask your kind understanding and cooperation.

* Please report on your career plan after graduation at **“Career report registration (Required)”** and **“Job hunting report (Optional)”** as soon as you decide your own plan.

* If you have not decided yet when required, please choose **“Haven’t decided yet (still hunting for a job)”** as current temporary status. But please do not forget to update it later by graduation according to your final career decision; **“Start working (including public servant and teacher)”** or **“Continue your education or others.”**

* If there is any change(s) occurred on your registered information, please update them at any time. You can change the content as many times as you want.

Input “Contact information after graduation”

Please be careful not to miss anything

Please input your contact information after graduation, regardless of your career plans.

* Email address field is mandatory.
