## Entering the Library

Anyone may enter the library to use the materials in the Medical Library. Please fill out the admission form at the counter when you come to the library.

## Arrangement of Books and Journals

- Books are classified according to the Nippon Decimal Classification system.
- Journals are classified by language (Japanese and foreign journals), year of publication, and alphabetical order. See the map on this sheet.

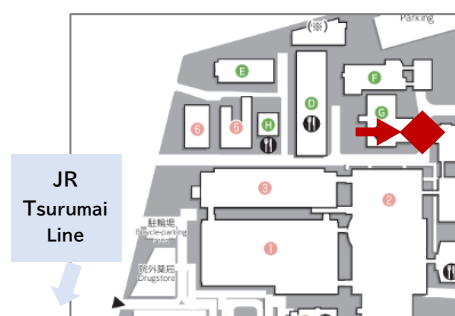

## Floor map

## Browsing

- **Browsing Materials**  
Please browse freely. Please ask for closed stack materials at the counter. Materials cannot be checked out.
- **Copying**  
Photocopying is allowed within the scope of copyright law. Please submit a photocopy request form to the counter. Photocopy machines are coin-operated and charged.
- **PC Corner**  
You can search "OPAC" on the computer for visitors.  
Some journals can be printed from e-journals.
