

Program

“PACTALS” and “Brain Protein Aging and Dementia Control” Project Joint Meeting

21 September, 2017

Grand Prince Hotel Kyoto, Japan

Promoting excellence in ALS registry and research

14:30 – 14:35

Opening remarks

Gen Sobue (Nagoya University, Japan)

14:35 – 15:00

Young researchers' progress report

Moderator: Osamu Onodera (Niigata University, Japan)

Yohei Iguchi (Nagoya University, Japan)

Morio Ueyama (Osaka University, Japan)

15:00 – 15:25

ALS registry in Europe

Moderator: Ryuji Kaji (Tokushima University, Japan)

James Rooney (Trinity College Dublin, Ireland)

Orla Hardiman (Trinity College Dublin, Ireland)

15:25 – 15:50

ALS registry in North America

Moderator: Ryuji Kaji (Tokushima University, Japan)

Hiroshi Mitsumoto (Columbia University, USA)

15:50 – 16:00

Coffee break

16:00 – 16:50

ALS registry and research in Japan

Moderator: Satoshi Kuwabara (Chiba University, Japan)

16:00 – 16:20

1. JaCALS/FTLD-J

Gen Sobue (Nagoya University, Japan)

16:20 – 16:35

2. Hot topics: TDP-43 Prions

Masato Hasegawa (Tokyo Metropolitan Institute of Medical Science, Japan)

16:35 – 16:50

3. Hot topics: Molecular mechanism

Osamu Onodera (Niigata University, Japan)

16:50 – 17:50 ALS registry and research topics from PACTALS

Moderator: Nortina Shahrizaila (University of Malaya, Malaysia)

16:50 – 17:10 Update on PACTALS Registry

Paul Talman (Deakin University, Australia)

17:10 – 17:30 Standards of ALS/MND care in PACTALS countries

Yutaka Ogino (Kitazato University/National Hakone Hospital, Japan)

17:30 – 17:50 Natural history studies in ALS : standardising the PACTALS research methodology

Dongsheng Fan (Peking University, China)

17:50 – 17:55 Closing remarks

Matthew Kiernan (The University of Sydney, Australia)

18:00 – Information Exchange Meeting
